

MEZZO[®]

Large Tube Paint Rack

- Holds 12 large paint tubes up to 225ml
- Perfect for oil & acrylic painters
- Easy assembly - no tools required

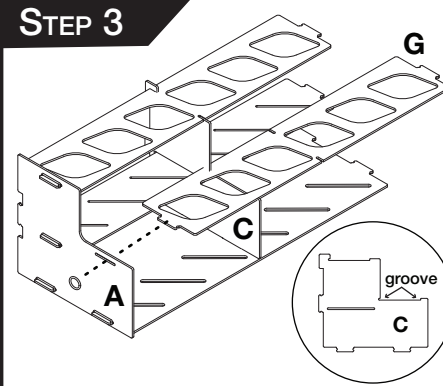

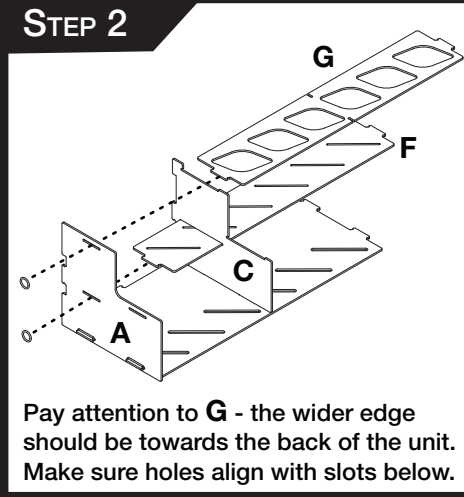

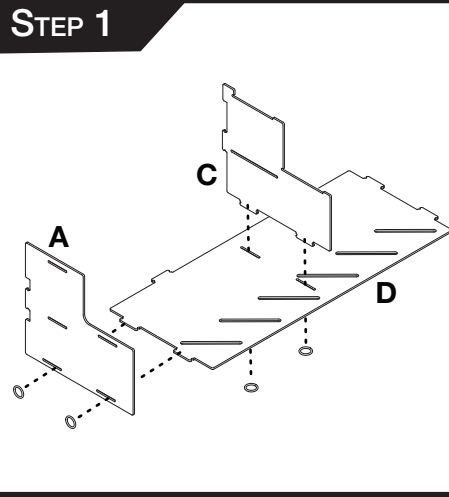

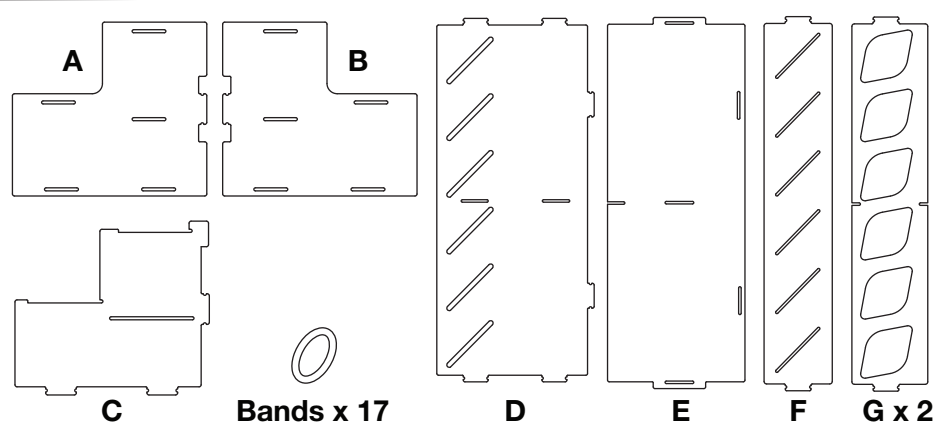

16-7/8" wide x 7-1/2" deep x 6-3/4" tall

Assembly Guide

Each part is labeled with a corresponding part letter. This label sticker should face either inward or downward, therefore should be hidden when assembly is complete.

PARTS Before you begin, lay out all pieces as shown below

Pay attention to **G** - the wider edge should be towards the back of the unit. Make sure holes align with slots below.
